

The screenshot shows a dark-themed software interface. At the top, there is a horizontal toolbar with icons for adding (+), deleting (trash), confirming (checkmark), canceling (X), refreshing (circular arrow), and a user profile (person). Below the toolbar is a table with two columns: 'Kred.type' and 'Kredit'. The first row of data contains the text 'programmer til drift innenf. avg. o' in the first column, 'L' in the second column, and '20745 -' in the third column. A vertical blue bar is positioned on the left side of the table. At the bottom left of the interface, there is a small blue square marker, which is pointed to by a blue arrow from the text below.

	Kred.type	Kredit
programmer til drift innenf. avg. o	L	20745 -

Ikke lett å se den blå markøren her !
